Nature Art Showcase And Sale

Sponsorship Opportunity

Artwork Featuring Outdoor Scenes, Nature, and Recreation

This relaxed indoor art exhibition and sale is conducted each February. Featured are 2-D and 3-D art pieces depicting outdoor scenes, nature, and outdoor recreation; entries typically include photography, sculptures, wood carvings, jewelry, paintings, watercolors, mixed media, custom furniture, whimsical items, fabric art, and other creative art all inspired by the outdoors! This will be the Sixth Annual Nature Art Showcase!

Sponsorship Opportunity

Businesses, organizations, or families may become sponsors by providing just \$100 or \$50! Each sponsor is recognized in outgoing event publicity, in the printed program, on site, and on the website. Sponsor's logo, website, address, and phone number are included unless requested otherwise. Those who sponsor at the \$100 level have the option of also being a location where artists may pick up registration packets; we include that fact in outgoing publicity, which most newspapers do utilize in articles about this colorful and refreshing exhibition of art. Call for details. Samples of the 2020 Nature Art Showcase exhibition booklet are available on request.
