Northwestern Pennsylvania is blessed with an abundance of natural and scenic resources which have contributed greatly to the regional growth and prosperity. In addition, a large portion of the area's land, water, forest, and wildlife resources has a primary or a secondary use for recreational activities and also serves as inspiration for a vibrant artist community. Let our natural and recreational assets inspire you as an artisan, then share your inspiration with the world!

## Invitation to Attending Public

Mark your calendar now to attend the Nature Art Showcase & Sale at the Barrow-Civic Theatre next to the Franklin on Ice festival featuring ice carving! Come out to see beautiful works of art inspired by the treasure of natural, scenic, and recreational resources of northwestern Pennsylvania.
